Safety Message

Kick of Summer Right...and Safe!

Memorial Day weekend has become synonymous with the beginning of summer by celebrating with barbecues, outdoor cooking and camping. As summer begins, the Office of the State Fire Marshal would like to remind everyone to be careful with any activity that could trigger a wildfire. It doesn't take much for a small fire to turn into a large blaze. The State Fire Marshal's Office also wants to remind everyone that knowing a few fire safety tips will help everyone have a fire safe summer.

Campfire Safety

It is important to follow the campground rules for the use and extinguishment of campfires.

Build campfires where they will not spread. A 5 to 10 foot circle around the fire should be cleared of all flammable materials and your tent should be at least 15 feet away.

Keep campfires to a reasonable and manageable size, no larger than 3 feet x 3 feet – do not let them get out of hand.

Thoroughly drown the fire, stir it and douse it again with water – do not leave a fire until it is OUT COLD.

Safety Message

Kick of Summer...Continued

Barbecue Safety

Always inspect your grill at the beginning of the season, checking all connections and supply hoses. Make sure the venturi tubes that deliver gas to the burner are not blocked.

Do not overfill the propane tank. Always store tanks outside, in a well-ventilated area.

Keep barbecues 5 to 10 feet away from your house or other flammable material. Never barbecue in enclosed areas as carbon monoxide could pose a danger.

Do not add fluid to hot coals. The flame can flash back up into the container and explode.

Dispose of hot coals properly; douse them with plenty of water and stir them to ensure that the fire is out. Never place them in plastic, paper or wooden containers.

General Fire Safety

Ensure children and pets are kept well away from fire. Teach your children to report any loose matches or lighters to an adult immediately.

Make sure everyone knows to Stop, Drop and Roll in case a piece of clothing does catch fire. Call 911 if a burn warrants serious medical attention.

Never leave your fire unattended and keep plenty of water nearby.

Do not wear loose clothing while tending a fire and tie back long hair.

RESOLUTION NO. 2013-21

COTTONWOOD HEIGHTS

RESOLUTION No. 2013-21

A RESOLUTION APPROVING ENTRY INTO AN INTERLOCAL AGREEMENT FOR MANAGEMENT AND SHARING OF STREET CENTERLINE DATA WITH VALLEY EMERGENCY COMMUNICATIONS CENTER

WHEREAS, the Interlocal Cooperation Act, UTAH CODE ANN. §11-13-101 *et. seq.* (the "*Interlocal Cooperation Act*"), provides that any two or more public agencies may enter into agreements with one another for joint or cooperative action following the adoption of an appropriate resolution by the governing body of each participating public agency; and

WHEREAS, Valley Emergency Communications Center ("*VECC*") and the city of Cottonwood Heights ("*City*") are public agencies for purposes of the Interlocal Cooperation Act; and

WHEREAS, VECC is the largest 9-1-1/emergency communication center in Utah and serves a population of more than a million, including numerous police agencies and fire departments; and

WHEREAS, in order to better delineate responsibilities in the management of street centerline mapping data used by VECC in its GIS applications supporting 9-1-1/emergency call processing and related law enforcement, fire and emergency medical dispatching, VECC has prepared and presented to City for its approval a proposed interlocal agreement entitled "Memorandum of Understanding Between Salt Lake Valley Emergency Communications Center and city of Cottonwood Heights for Management and Sharing of Street Centerline Data" (the "*Agreement*"); and

WHEREAS, pursuant to the authority granted in the Interlocal Cooperation Act, VECC and City desire to enter into the Agreement; and

WHEREAS, City's municipal council (the "*Council*") met in regular session on 28 May 2013 to consider, among other things, approving City's entry into the Agreement; and

WHEREAS, the Council has reviewed the form of the Agreement, a photocopy of which is annexed hereto; and

WHEREAS, after careful consideration, the Council has determined that it is in the best interests of the health, safety and welfare of the City's residents to approve City's entry into the Agreement as proposed;

NOW, THEREFORE, BE IT RESOLVED by the city council of the city of Cottonwood Heights that the attached Agreement with VECC be, and hereby is, approved, and that City's mayor and recorder are authorized and directed to execute and deliver the Agreement on behalf of City; and

BE IT FURTHER RESOLVED by the city council of the city of Cottonwood Heights that all prior actions of city officers and employees in executing and delivering the Agreement, and acting thereunder, are hereby ratified and confirmed.

This Resolution, assigned no. 2013-21, shall take effect immediately upon passage.

PASSED AND APPROVED this 28th day of May 2013.

MEMORANDUM OF UNDERSTANDING
BETWEEN
SALT LAKE VALLEY EMERGENCY COMMUNICATIONS CENTER
AND
CITY OF COTTONWOOD HEIGHTS
FOR
MANAGEMENT AND SHARING OF STREET CENTERLINE DATA

PURPOSE

1. This purpose of this document is to state the terms of a mutual agreement (Memorandum of Understanding) between city of Cottonwood Heights ("Cottonwood Heights") and Salt Lake Valley Emergency Communications Center ("VECC"), hereinafter referred to as the Parties or Party, that will serve to delineate the responsibilities of the Parties in the management of centerline mapping data used by VECC in its GIS applications in support of 911 emergency call processing and law enforcement, fire, and emergency medical dispatching. It is intended that nothing in this agreement should be construed as limiting or impeding the basic spirit of cooperation that exists between the participating Parties.
 - 1.1. This MOU supersedes previous agreements to share centerline data that may have been entered into between the Parties.

RECOGNITION

2. Cottonwood Heights recognizes VECC as a public service organization, which provides 911 emergency call taking and police, fire, and emergency medical dispatch services to citizens during a call for assistance. Cottonwood Heights also recognizes that VECC must have accurate and up-to-date mapping data to provide effective services.
 - 2.1. VECC recognizes Cottonwood Heights as the Authority having Jurisdiction for the determination, ownership, and validation of street centerline data for its jurisdiction.

PRINCIPLES OF AGREEMENT

3. In order that the Parties may share authorized information in performing their respective duties to provide the best emergency services to the citizens, the following principles and methods are agreed upon:

- 3.1. The Parties will exchange authorized GIS information, as required, to enhance the ability to appropriately identify the location of a caller requesting emergency services and to efficiently send first responders to the correct location.
- 3.2. The Parties will establish protocols and procedures that foster timely maintenance of Centerline data.
- 3.3. The Parties will determine whether Cottonwood Heights will participate in the sharing of GIS information with edit privileges or as view-only. If Cottonwood Heights selects edit privileges the provisions regarding editing will apply. If view-only is selected, those provisions will apply. Cottonwood Heights chooses to participate with edit privileges.
- 3.4. The Parties agree that VECC will maintain the Spatial Database Engine (SDE) and provide view-only or edit privilege access to approved participants. The Parties agree that non-editing users having viewing privileges only and may not copy or distribute data in any form.
- 3.5. The Parties agree that VECC will notify Cottonwood Heights of address issues which arise in the course of call taking or dispatching activities.
- 3.6. The Parties agree that Cottonwood Heights owns its data and can only distribute its own data. The Parties further agree that Cottonwood Heights will edit only to those streets within its jurisdiction. The Parties agree that actual edits to the individual feature class records is the responsibility of Cottonwood Heights users for both geometric and attribute corrections. If edits must be made to border streets, VECC or the other involved city or county will be contacted.
- 3.7. The Parties agree that two editing environments will be supported: Database Replication and the Versioned Environment. In Database Replication, Cottonwood Heights GIS users will create their child replica from the vecc.Edits.Centerlines feature class as a two-way replication. Within the Versioned Environment, Cottonwood Heights GIS users will make edits directly to the vecc.Edits.Centerlines feature class.
- 3.8. The Parties agree that it is the responsibility of Cottonwood Heights users to synchronize any changes made to the local child with the vecc.Edits.Centerlines parent, as well as synchronize any changes from the vecc.Edits.Centerlines parent to the local child. Synchronizing changes to the vecc.Edits.Centerlines parent can be done at any interval, but must be done at least monthly during the last week of the calendar month.
- 3.9. The Parties agree that VECC will synchronize edits from Child Replica to the Parent and reconcile and post in the Versioned Environment.

3.10. The parties agree that VECC will provide updates of their data to the AGRC.

4. This memorandum shall take effect upon its signing by authorized representatives of each of the Parties. It may be amended by mutual agreement of the Parties and will remain in effect until rescinded by either Party. Either Party may voluntarily withdraw participation at any time. VECC may terminate access to the SDE for lack of adherence to the above stated principles of agreement. Nothing herein will create any joint venture, partnership, or other business association, nor shall either Party enter into any obligation or commitment on behalf of the other.

MINUTES OF THE COTTONWOOD HEIGHTS CITY COUNCIL MEETING HELD TUESDAY, MAY 14, 2013, AT 7:00 P.M. IN THE COTTONWOOD HEIGHTS CITY COUNCIL CHAMBERS

Members Present: Mayor Kelvyn Cullimore, Councilman Mike Shelton, Councilman Scott Bracken, Councilman Tee Tyler, Councilman Mike Peterson

Staff Present: City Manager John Park, Deputy City Manager Linda Dunlavy, City Attorney Shane Topham, Police Chief Robby Russo, Public Relations Specialist Stephanie Archibald, Public Works Director Mike Allen, Community and Economic Development Director Brian Berndt, Assistant Fire Chief Mike Watson, Police Support Specialist Sheila Jennings

Others Present: Linda Mandrell, Laurel Harris, M. Shane Richins, Donald Cobb

1.0 WELCOME/PLEDGE/ACKNOWLEDGEMENTS

1.1 Mayor Kelvyn Cullimore called the meeting to order at 7:00 p.m. and welcomed those attending.

1.2 The Pledge of Allegiance was led by Councilman Bracken.

2.0 CITIZEN COMMENTS

2.1 Mayor Cullimore opened the citizen comment period noting that many are in attendance to address a recently-filed application from a resident requesting he be allowed to license 29 snakes.

2.2 Tobi Paulos, Hollow Ridge subdivision resident, spoke on behalf of the Hollow Ridge community. Ms. Paulos presented a petition from residents opposed to the variance regarding the exotic pet ordinance. Ms. Paulos stated that research has shown that Mr. Cobb is running a business out of his Cottonwood Heights home without a business license and demanded that his operation be shut down, that all creatures be removed, and that the permits be revoked. Photographs and posts from Facebook were presented to the Council. Ms. Paulos noted that the information she submitted indicates Mr. Cobb's intention to house 500 plus exotic animals. Photographs of Mr. Cobb washing out bins in the street and gutter with a pressure washer were also presented

2.3 Leo Paulos briefly addressed the Council stating that this is not a personal vendetta, but an entire community expressing their displeasure.

2.4 Shane Richins, Scales and Tails Utah reported that he educates children using reptiles. He shared his knowledge of exotic animals, pointing out that boa constrictors are not lethal. He stressed the importance of tolerance in communities.

2.5 Dr. Laurel Harris, owner of Wasatch Exotic Pet Care agreed with Mr. Richins' statement. She stated that a dog poses more of a nuisance and risk to a child than one of Mr. Cobb's snakes, and explained that it is natural to have an aversion to snakes, but being properly educated creates an appreciation for the snakes in question. She suggested that by providing for a variance or offering a hobby permit, pet owners would be more likely to be upfront about the exotic animals they keep and more proactive in seeking and providing better care for them. She recommended that an annual inspection by a veterinarian could be required for exotic pet permit holders.

- 2.6 Dave Jensen, representing Reptile Rescue Service reported that he serves as a public educator regarding snakes and concurred with the comments made by Mr. Richins and Dr. Harris. He addressed the public's fear of reptiles and snakes, and shared his opinion as to the safety of Mr. Cobb's collection.
- 2.7 Jim Bellou, attorney, stated that the law governing exotic pets is very strict and even under the hobby permit exception, no more than five types of animals are allowed. The implications of allowing a person to own 29 snakes would potentially allow others to obtain 29 of another type of animal. He also expressed concern regarding the 80 rats contained in the garage and utilized as food for the constrictors.
- 2.8 Debra Cobb stated that she lives at the residence in question and that the rats have been removed from the property as a sign of good faith. Ms. Cobb believes the community has been misinformed and stated that she and her son are doing all they can to make the situation workable. The snakes are their pets and asking them to get rid of or destroy them is no different than anyone else in the community being asked to get rid of a pet.
- 2.9 Corey Wall stated that he purchased his home knowing it was zoned residential and expected others in his neighborhood to abide by the laws governing the residential zone. As an attorney, he shared his concern about the legality of the issue before the Council. He conceded that boa constrictors are not lethal, but he detailed the disease and harm caused by this type of snake. It was Mr. Wall's opinion that 29 snakes are excessive and he recommended that a more suitable and properly zoned location be used.
- 2.10 Mayor Cullimore clarified a variance is not being considered tonight. He explained the city has an ordinance governing exotic pets and this issue is determined by the interpretation of the ordinance. He explained the debate has to do with the language and legality of the ordinance and how it is to be implemented. The City Council had not granted and is not considering granting a variance or special conditional permit, but they are determining whether the applicant is entitled to one or 29 exotic pet licenses.
- 2.11 Thomas Cobb read a prepared statement to the City Council which stated that he received a great deal of support from the public. He said that Cottonwood Heights and Salt Lake County both approved his request for exotic animal permits. Animal Control Officers, television affiliates, newspaper reporters, photographers and neighbors all commented on the cleanliness of the home, and he offered a standing invitation for the mayor and council members to visit his home for a personal inspection. Mr. Cobb said that all rodents have been removed from the premises as a sign of good faith and believes this issue has evolved into the right of a private citizen to pursue a personal hobby conducted in accordance with the highest accepted standards under the law.
- 2.12 Linda Mandrell, Hollow Ridge resident, said that she grew up with snakes and expressed concerns about the type of snakes in question. She provided information from the American Humane Society about boa constrictor safety, and believes the excessive number of snakes is the main concern. She urged the Council to modify the ordinance and ensure the safety of children and the community.

- 2.13 Kirk Roskovey shared his concern about the zoning of the residence and stating that he does not believe the zoning allows for a business like the one Mr. Cobb is operating. He wants the neighborhood to remain residential.
- 2.14 Don Cobb stated that he has worked in public safety for over 32 years and it is his opinion that as long as the snakes are properly cared for, they pose no threat. He detailed problems rattlesnakes pose to the community and asked the Council to get facts from reputable sources.
- 2.15 Rodney Hand raised a question about the authorization of 29 permits by the city.
- 2.16 Mayor Cullimore stated that the permits have been issued.
- 2.17 Connie Langton expressed concerns about the safety of her family. She stated that they have two young children and because of the scorn they have received from the community, they do not feel safe in the neighborhood.
- 2.18 Mayor Cullimore commended Mr. Cobb on his knowledge and care of snakes. He stated that whether or not someone can safely keep and maintain 29 boa constrictors is not the issue. There are several issues, including what is considered a pet and when does it become a hobby? How many pets are appropriate in a residential neighborhood? He explained that ambiguity in the ordinance led to the decision to approve the permits. The ordinance will now be considered in light of feedback that has been received.

3.0 REPORTS/PROCLAMATIONS/RECOGNITIONS

Standing Monthly Reports

3.1 April Police Report

Public Support Specialist Sheila Jennings presented statistics for the month of April. She stated that the reporting system has changed and it will affect the way statistics are gathered. Response times for Priority 1 calls were reported to be less than five minutes. It was reported that thefts were up slightly.

Ms. Jennings said there were 89 arrests, 81 were adult arrests and 8 were juvenile arrest. Crimes were reviewed by district and it was noted that thefts were up slightly. She reported that traffic citations were down as well as DUI's and warnings. April had 36 traffic accidents reported resulting in 8 injuries, including one fatality.

A complete police report is available on the City's website.

3.2 Public Works Report

Public Works Director Mike Allen presented the monthly public works report. He reported that the Union Park median landscape project will commence work in mid-June and part of the contract is to provide message boards that will notify motoring traffic of construction one week prior to beginning the project. He reported that the storm drain and mapping study are making outstanding progress due to the addition of two new full-time employees.

Mr. Allen reported that asphalt had been laid on the Big Cottonwood Canyon trail, and shoulder gravel and signs will be installed within the next few days followed by fencing. There was an incident of vandalism which was immediately taken care of. The possibility of camera installation was discussed.

A complete public works report is available on the City's website.
